-

Professional Summary:

- ❖ Web Development enthusiast and B.Tech IT student with hands-on experience in building responsive web applications using **HTML, CSS, and JavaScript**. Skilled in creating **user-friendly interfaces, form validation, DOM manipulation**, and leveraging **GitHub** for project management. Adept at developing portfolio websites, login/registration pages, and dynamic To-Do List applications while continuously improving coding skills and learning modern web technologies.
-

Career Objective:

- ❖ B.Tech IT student aiming for a **Web Development internship** to apply expertise in HTML, CSS, and JavaScript, deliver impactful projects, and gain hands-on experience in professional web applications.
-

Education:

- B.Tech – Information Technology (3rd Year)**
 - CSI Institute of Technology**
-

Technical Skills:

- **Languages:** HTML, CSS, JavaScript
 - **Tools & Platforms:** GitHub, VS Code
 - **Web Development Concepts:** Responsive Design, Form Validation, DOM Manipulation
-

Projects:

- **Portfolio Website:** Developed using HTML, CSS, and JavaScript to showcase projects, highlight technical skills, and provide an easy way for visitors to contact.

- **Login / Registration Page:** Developed using HTML, CSS, and JavaScript. Allows users to create accounts, enter credentials, and perform basic form validation.
 - **To-Do List Web App:** Developed using JavaScript with localStorage for persistence. Handles adding, deleting, and managing tasks, demonstrating DOM manipulation and programming logic.
-

Strengths:

- i. Problem Solving
 - ii. Quick Learner
 - iii. Time Management
-

Languages:

- 1) Tamil
- 2) English
